RESOLUTION A.200(VI)

PRINTING FUND

The Assembly,

Noting that the Printing Fund established by the Secretary-General under Financial Regulation 6.7 has shown its value by making the revenue from sales of publications available for reprints and hence by facilitating control and review of the expenditures and receipts incurred in producing publications destined, wholly or in part, for sale,

Recalling that hitherto the purposes of the Printing Fund and the sources of its funds have been specified in Resolution A.100(IV),

Now decides, in order to improve the effectiveness of the Printing Fund, to authorize the Secretary-General, in addition:

- (a) to pay from the Printing Fund the costs incurred in the editing of publications and their sales;
- (b) to charge to the Printing Fund an appropriate proportion of the capital cost of new equipment to be used for the production of saleable items.
