

RESOLUTION A.136(V)

FACILITATION OF TRAVEL AND TRANSPORT:
STANDARDIZED FORMS OF DOCUMENTS

The Assembly,

Having considered Resolutions 4 and 5 of the International Conference on Facilitation of Maritime Travel and Transport,

Having in mind its Resolution A.78(IV) requesting the Secretary-General to convene as appropriate a meeting of the Working Group and to take necessary steps to implement, in particular, Resolution 5 of the Conference,

Noting with satisfaction that a meeting of the Working Group has taken place and that at that meeting the attached model forms were proposed,

Noting also the recommendation of the Working Group to the Secretary-General that the attached model forms together with their Report be brought to the attention of the Assembly, Contracting Governments and governments which participated in the Conference, so as to enable governments to consider the possibility of using forms conforming as far as possible and practicable to the attached model forms,

Recognizing that a widespread acceptance by governments of the Convention on Facilitation of International Maritime Traffic is an essential condition for achieving effective facilitation in this field,

Invites governments to consider adopting forms conforming to the attached model forms,

Requests the Secretary-General to continue his work towards the establishment of forms and procedures suitable for universal use,

Recommends that governments which have not yet accepted the Convention on Facilitation of International Maritime Traffic consider doing so as soon as possible.
